1227 Main Street
West Warwick, RI 02893
401-353-4656

From 95S, take exit 10 B... From 95N, take exit 10 and follow 117 West

Go all the way to the end until you have to go either right or left.

Take right. (Roch's market will be on your left)

At the next light, bear right going up the hill.

Go straight through the next light. (Napa Auto Parts will be on your left)

At the next light, bear right (Main Street continues)

You will pass a Rent-A-Center.

1227 Main will be a couple of doors down across from Citizen's Bank.
It is in the same building as "3V's Goldmine"

Entering the 1227 building from the front, I am in Suite 3 after the bench.

If you wish to park behind the building, after you pass the Rent-A-Center, take your next left onto Curson. The parking lot will be on your left.

Entering the building from the rear, I am in Suite 3 before the bench.

If the sign in the window says "Open", please knock on the door and enter.

If the sign says "Treatment in Progress", feel free to have a seat on the bench or visit 3 V's. I will come for you when I am ready for you.
